Dear Diana:

Union Camp Corporation in Hudson Falls, New York, EPA I.D. No. ~~NYD980530083~~ was assigned to FIT for completion of a Preliminary Assessment under TDD No. 02-8710-33.

A search of EPA files gave no information other than the site was located on John Street, Hudson Falls, New York. Files at the New York State Department of Environmental Conservation Region 5 and the Village of Hudson Falls had no information.

An off-site reconnaissance performed by NUS personnel on November 5, 1987, could not locate the site.

The information available is insufficient to justify completion of the four-page Preliminary Assessment form (EPA form 2070-12).

Very truly yours,
